✓ About Us

NexSure Cert and Quality Services is a professionally driven Sole Proprietorship founded by Mr. Nimish Sharma, a seasoned mechanical engineer with over 23 years of hands-on experience in the Quality Assurance & Inspection domain. The firm specializes in offering expert third-party inspection, expediting, supplier audits, and quality documentation services to industries with critical quality requirements.

With in-depth expertise spanning Thermal & Hydro Power, Oil & Gas, Pulp & Paper, and now Export Facilitation of Industrial Components, NexSure provides both on-site and remote support—from individual component inspection to full project quality planning and international sourcing coordination..

🔍 Core Services

- Third-party Inspection (Visual, Dimensional, Welding, Functional Testing)
- Component-level inspection of Machined Parts, Forgings, and Castings (Dimensional, Visual, NDT)
- NDT Inspection Services (UT, RT, MT, PT) – ASNT Level II Certified
- Expediting Services & Project Manufacturing Monitoring
- Quality Management System Audits (ISO 9001:2015 Internal Auditing)

NexSure Cert and Quality Services

Trusted Partner in Inspection, Audit, Certification, Export Facilitation and Quality Consultation

- Supplier Capability Assessments & Documentation Review
- Preparation of SOPs, Work Instructions, Quality & Manufacturing Procedures
- Root Cause Analysis (RCA), 8D & CAPA Implementation
- First Article Inspection (FAI) & Pre-dispatch Inspections (PDI)
- Lean Six Sigma & Quality Consulting- Helping small and medium manufacturers improve profitability through Lean Six Sigma, Quality Audits, and Process Improvements.

Our focus is on reducing waste, lowering rework & scrap, cutting downtime, and improving delivery performance.

- Export Facilitation of Metal Castings, Forgings, Welded Parts & Tools
 - Buyer sourcing, documentation, vendor coordination
 - Quality control and packaging supervision
 - International shipment coordination (FOB/CIF basis)
-

Industries Served

- Thermal & Nuclear Power (Turbine/Generator parts, Accessories and BOP like Pumps, Valves, Heat Exchangers etc.)
- Hydro Power Equipment
- Oil & Gas (Pressure Vessels, Heat Exchangers etc.)
- Pulp & Paper (Digester, Screw Feeder, Presses etc.)
- Heavy Engineering Fabrication (BOP, Structure, Pressure Parts)
- EPC & OEM Projects
- Component QA for rotating equipment, turbine parts, pressure vessels, and structural fabrications

NexSure Cert and Quality Services

Trusted Partner in Inspection, Audit, Certification, Export Facilitation and Quality Consultation

- Export Clients in Power, Oil & Gas, Energy Sectors
-

Key Projects & Assignments

(Note: The following assignments were executed by Mr. Nimish Sharma during his professional career prior to founding NexSure Cert and Quality Services. These reflect personal experience, not direct work orders under the NexSure entity.)

- GE Power: QMS & Inspection Support for Projects like 2x660MW Solapur, Tanda, Obra Projects etc.
 - NPCIL: Surveillance & Vendor Inspections for Kakrapar & Rawatbhata Nuclear Sites
 - Valmet: Pulp & Paper Equipment
 - NTPC: Boiler Feed Pump, CEP for Indian Make Certification
 - BHEL: Turbine Components inspection under NPCIL Contracts
 - Overseas Inspections: JCFC Japan, HP Valves Korea, Gardner Denver Nash China
 - Final inspection of precision-machined for NTPC/NPCIL projects
 - Dimensional and UT inspection of castings for HP/LP turbine casings (NTPC, NPCIL)
 - Forging traceability and UT verification for heavy loaded components (HP/LP Shafts, JCFC Japan)
-

Certifications & Qualifications

- ASNT Level II in UT, RT, PT, MT
- Certified ISO 9001:2015 Internal Auditor

NexSure Cert and Quality Services

Trusted Partner in Inspection, Audit, Certification, Export Facilitation and Quality Consultation

- Welding Inspector (WRI / AWS Equivalent)
 - Six Sigma Green Belt (Motorola)
 - IOSH Level 2 EHS Certified
-

Why Choose Nexsure

- 23+ Years of Hands-on QA/Inspection Experience
- Multisector Experience Across Critical Infrastructure & Export
- Strong Documentation and Root Cause Skills
- Committed to Precision, Ethics, and Timely Delivery
- Flexible Engagement: Full-time / Freelance / Export Agent Services
